274		Section Header: <i>Physical and Mental Health</i> Please read the following: "Now, I would like to ask you some more questions about your everyday activities. This part of the interview is about difficulties people have because of health conditions. By health condition I mean diseases or illness, or other health problems that may be short or long lasting; injuries; mental or emotional problems. Remember to keep all of your health problems in mind as you answer the questions. When I ask you about difficulties in doing an activity think about: increased effort, discomfort or pain, slowness, changes in the way you do the activity. When answering, I'd like you to think back over the past 30 days. I would also like you to answer these questions thinking about how much difficulty you have had, on average, over the past 30 days, while doing the activity as you usually do it. Use this scale when responding. FOR THE INTERVIEWER, PLEASE STICK TO ONE LANGUAGE OF ADMINISTRATION FOR THIS SET OF QUESTIONS. In the past 30 days, how much difficulty did you have in:	descriptive
